## CORPORATE BACKGROUND

Maven Integrated Energy Services Ltd is a Systems Integrator providing Complete Industrial Automation, Instrumentation, Electrical, Control, Communication and Safety Systems. We serve a wide spectrum of clients across the Oil, Gas and Power industries, with solutions tailored to each individual customer's needs.

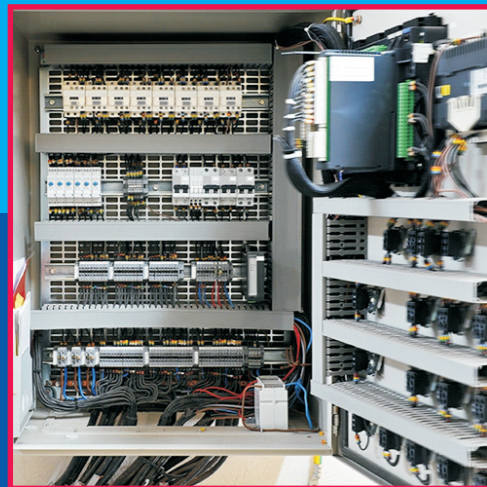

Maven Integrated Energy Services Ltd is dedicated to service delivery towards improving plant efficiency and optimizing business opportunities through technology. We have keen interest in applying innovative technologies in solving technical challenges faced by our clients in their various industries.

Maven Integrated Energy Services is built to serve, and we believe that performance is one of our success magic of keeping our customers. Maven Integrated Energy Services strives to be in the fore front of Industrial technology application across the globe.

## OUR VISION STATEMENT

Being a company with a unique heritage, our vision is to enhance a consistent growth through conscious quality, safety, competent and prompt execution of jobs and provision of services to companies we work for, thereby enhancing a steady growth and pioneering the local content regime.

## OUR MISSION STATEMENT

Our Mission is to be committed in providing unique and quality service focused on servicing the need so four clients. We will achieve this with our team of motivated, creative and well trained engineers and technicians. Our aim is to excel in our core areas of operation, satisfying and possibly exceeding our clients' expectations.

## CORPORATE SUMMARY:

### Core Areas:

- ❖ Instrumentation & Control
- ❖ NDT/Lifting Inspection Services
- ❖ Power and Telecoms
- ❖ Industrial Safety (Fire & Gas Detection System)
- ❖ Valve Services and Maintenance
- ❖ Process and Pipeline Services / Integrity Test
- ❖ Life Saving Appliances and Fire Fighting
- ❖ Equipment Bolt tensioning and Torqueing Services
- ❖ Corrosion Control and Cathodic Protection

## MIES QA/QC COMMITMENT

At Maven Integrated Energy Services, we are committed to the provision of quality products and services, which will both, meet and exceed our customers' expectations. This is to promote customers' confidence in our ability to consistently deliver specified quality products and services at all times.

## POST SALES/PROJECT COMMITMENT

It is our culture to give full support for any product sold to our esteemed customers for a period of time agreeable to both parties at point of sale. We are also keen on customer satisfaction, more than anything else.

We are keen on adding value to our customers in every way we can. This we do through continuous training on capabilities of our products, and overall awareness.

## HSE POLICY

### Maven Integrated Energy Services Limited

is committed to doing our best to provide outstanding safety and health protection to our employees through management systems and employee involvement. Managers, Supervisors and Employees must be actively involved in ensuring safety in every activity.

### Maven Integrated Energy Services Limited

agrees to correct in a timely manner all hazards identified through self-inspections, accident investigations, employee reports or **any other means in line with our incident & injury free (IIF) goal and mind set.**

### Maven Integrated Energy Services Limited

shall demonstrate sound occupational health and safety performance by controlling their OH&S risks, consistent with OH&S Policy Objectives.

### Maven Integrated Energy Services Limited

shall ensure good waste management, elimination of environmental incidents and harmonious relationship with host communities. We shall ensure continual improvement and compliance with local regulation/legislation on environmental issue by the Government of the Federal Republic of Nigeria and its agencies like the Federal Ministry of Environment (FME), Rivers State Ministry of Environment (RSME), Local Government Authority and Ministry of Health.

Our statement of general Health, Safety and Environment policy include:

- To maintain safe plant and equipment
- To ensure safe handling and use of substances
- To provide information, instruction and supervision for employees
- To ensure all employees are competent to perform their tasks, and to give them adequate training;
- To maintain safe and healthy working conditions;
- To review this policy at regular intervals; and
- To provide adequate control of the health and safety risks arising from our work activities.

## Capabilities:

- ❖ Turnkey Instrumentation & Electrical Contractor
- ❖ Engineering Design, Modeling and System Analysis
- ❖ Procurement
- ❖ Construction, Commissioning, Operations & Maintenance

## Preventive Maintenance Services

- ❖ Complete Maintenance Services
- ❖ Calibration and Re-certification
- ❖ Fire&Gas Systems
- ❖ Plant Maintenance with back to back assignments
- ❖ Personnel Training and Manpower Supply
- ❖ NDT/Lifting Inspection services
- ❖ Substation Automation/Distribution Management Systems
- ❖ Access Control Systems
- ❖ Metering Skids, LACT units etc
- ❖ Plant Design, modeling, Analysis and Engineering
- ❖ Corrosion Control Services and Maintenance
- ❖ Bolt tensioning and Torqueing Services
- ❖ Process and Pipeline / Integrity Test Services
- ❖ Servicing of Life Saving Appliances and Fire Fighting Equipment

## Areas of Activity

- ❖ Upstream Oil Sector-Production facilities, gas plants, LNGs
- ❖ Power Sector-Generation, Transmission and Distribution
- ❖ Downstream Oil Sector-Storage Tank farms,
- ❖ Refineries, Oil Terminals, Petrochemical plants, etc FCMG –Breweries, Food processing, manufacturing etc.
- ❖ Gas Industry-LPGs, Gas Plants, LNGs, CNGs etc
- ❖ Telecoms

## Instrumentation & Control Services

Maven Integrated Energy Services Limited provides the following services:

- ❖ Metering & Liquid Proving Systems
- ❖ I&E Construction Services
- ❖ Tank Gauging/Depot Automation
- ❖ Instruments and Tank Calibration Services
- ❖ Valve Services
- ❖ Flow Meters, Pumps and Flow Systems
- ❖ Electrical Engineering Services

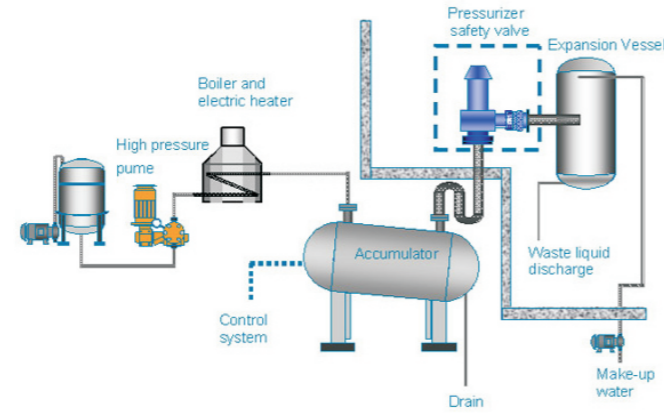

## Automation & Software

Automation and Software Services are group client to the following:

- ❖ Manufacturing Execution Systems
- ❖ CAD/Engineering Software
- ❖ Intergraph Solutions
- ❖ HMI/SCADA/PLC/DCSSystems
- ❖ Leak Detection System
- ❖ PI Services
- ❖ Pan Building to UL508A
- ❖ System Modeling
- ❖ Arc Flash Analysis

## Industrial Safety Systems

Maven Integrated Energy Services is one of leading provider of integrated safety and security solutions. Our safety services are categorized under the following:

- ❖ Fire & Gas Detection
- ❖ Fire Suppression Systems
- ❖ CEMs and Gas Analyzers
- ❖ Access Control/Video Management Systems
- ❖ Navigational Aid Systems(CAP437)
- ❖ Process Safety Engineering & Consulting

## Power & Telecoms

Our Power and Telecoms Group can help with:

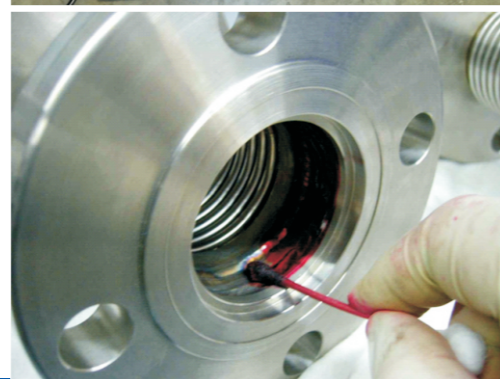

- ❖ LV&MV Switchgear
- ❖ Telecommunications
- ❖ Critical Power Solutions
- ❖ Substation Automation
- ❖ Arc Flash Hazard Analysis
- ❖ Power System Studies
- ❖ Relay Calibration
- ❖ Protective Relay Calibration

## NDT/LIFTING INSPECTION SERVICES

Our experienced NDT Inspectors can provide in-house and on-the-site services in the following:

- ❖ Magnetic Particle Inspection (MPI)
- ❖ Ultrasonic Testing (UT)
- ❖ Radiographic Testing (RT)
- ❖ Hull Gauging
- ❖ Lifting Inspection
- ❖ Crane Inspection
- ❖ Cathodic Protection
- ❖ Pipe/Tubular Inspection

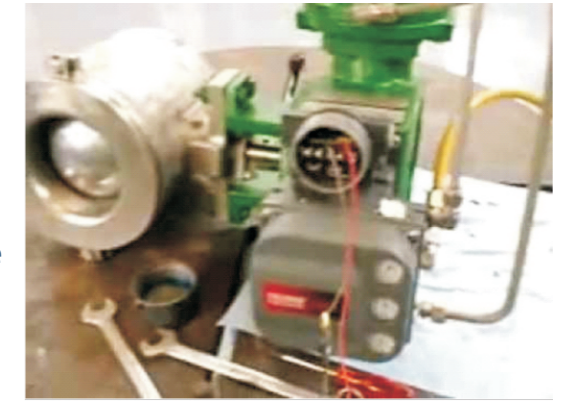

- ❖ Rope Access Inspection
- ❖ Thermographic Inspection
- ❖ Dye Penetrant Inspection

## PROCESS & PIPELINE/ INTEGRITY TESTING SERVICES

Our experienced personnel are always available to provide the following services:

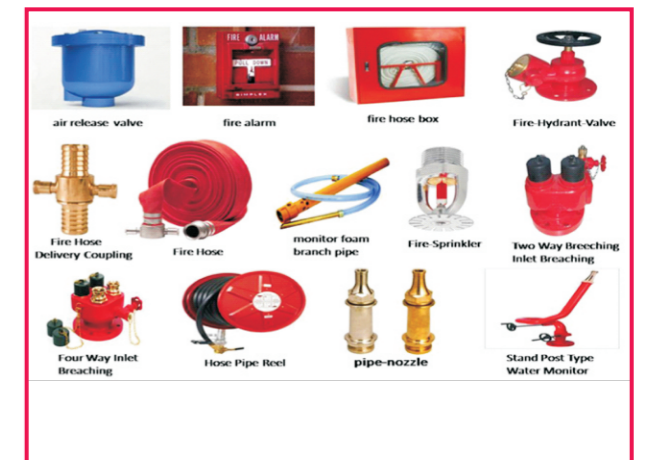

- ❖ Pipeline Hydro Test
- ❖ Valves Integrity Test
- ❖ Leak Test
- ❖ Pipe Flushing
- ❖ Valve testing and maintenance
- ❖ Nitrogen Purging
- ❖ Chemical Injection
- ❖ Pigging

## LIFE SAVING APPLIANCES & FIRE FIGHTING EQUIPMENT

Maven Integrated Have the Technical competence and experienced Personnel to deliver the Servicing and certification of the following

- ❖ Life Boats & Equipment
- ❖ Rescue Boats & Equipment
- ❖ Liferrafts
- ❖ MOR
- ❖ Life jackets
- ❖ Immersion / Anti-Exposure Suits
- ❖ EPIRBs, SARTs, & Hand Held GMDSS Radios
- ❖ Pyrotechnics & Line Throwing Apparatus
- ❖ Life buoys and Attachments
- ❖ MOB Recovery Equipment
- ❖ Fire Mains, Pumps, Hydrants, Hoses & Nozzles
- ❖ Fixed Extinguishing Systems: CO2/ Gas / Dry Powder/ Water Aerosol
- ❖ Firefighters outfits & BA
- ❖ BA Charging Compressors
- ❖ Portable Foam Units
- ❖ Fire Extinguishers

## FLANGE MANAGEMENT

- ❖ Maven Integrated have trained personnel on this operations
- ❖ Hydraulic Bolt Torqueing
- ❖ Hydraulic Bolt Tensioning
- ❖ Flange Spreading
- ❖ Hydraulic Nut Splitting
